# CAPPA Children's Foundation Training July 23, 2009 Davis, CA

The CAPPA Children's Foundation is offering their popular and well-received training session from the Lake Tahoe event in Davis, only 15 minutes from downtown Sacramento! This training received high ratings on the post-event survey, and we are bringing many of the same topics and presenters to a new location! Don't miss out!

### Included in this training event:

**Board Reports, CAPPA Public Policy and State Budget Discussion**, presented by Denyne Kowalewski, CAPPA's Executive Director and CAPPA Board Members

Come prepared to hear from CAPPA's Executive Director, Denyne Kowalewski, on new policies and how they will affect you and your agency, and give input on future policies for the upcoming year. We will also cover the new challenges in the state budget, answer questions from attendees, and discuss the budget forecast. Send in your questions to [cappa@cappaonline.com](mailto:cappa@cappaonline.com) or bring them with you! We will also share what the CAPPA Board and the CAPPA Children's Foundation has accomplished in the last year.

**Direct Deposit in Your Agency**, presented by Stephanie Simcox, The San Francisco Children's Council and Karen Marlatt, Valley Oak Children's Services

Come prepared to hear firsthand how agencies are using direct deposit to pay providers. Hear their firsthand experiences with implementing Direct Deposit and their tips for other agencies.

**Verifying Legal Residence Status of Providers**, Patricia Barragan, City of Davis

Come and hear one agency's experience with verifying legal residence status for their providers. We will discuss work permits, resident alien cards and Visas.

**Eligibility & Need Discussion**, presented by Theresa Corrigan, Child Action, Inc.

This workshop will give you the opportunity to raise questions regarding how to implement the new regulations and discuss the answers with Theresa Corrigan of Child Action, Inc. She is quite familiar with the regulations and will answer your questions to the best of her ability. We ask that your questions be general and not case specific; case specific questions are too dependent upon complete familiarity with the case to be answered in a workshop format. Theresa has agreed that she will only address questions about which she feels confident of the answers; others questions will be diverted for later research. Eligibility and Need DVD's will be available for purchase. If you have questions, please submit them to CAPPA ahead of time, or come prepared to ask them during the presentation.

This is a **highly interactive training**, so please bring your questions and thoughts on the above topics!
